ssociate in Applied Science (AAS) degree programs help you prepare for or dvance in a particular occupation or field. Most AAS degrees require 60-70 edits and consist of technical studies, general studies and electives. Complete our degree in as little as two years or attend part-time to fit your schedule. ome or all credits may be applied toward a bachelor's degree program at a Technical Diploma (TD) programs help you prepare for a targeted occupation, typically at the entry level. Credit requirements range from 3-70 credits, and many programs offer full- and part-time options. Some credits may be applied to associate degree programs. r-year college.
