**Report Definitions:**

**Employed:** Percent of graduate survey respondents available for employment who reported employment.

**Employed Related:** Percent of Employed survey respondents who have a job in degree-related field.

**Average Annual Salary:** Wage averages may include graduates employed in the field prior to attending FVTC; five-year graduate wage averages may include students who continued their education and obtained higher-level degrees.

**Asterisk (\*):** An "\*" behind the Average Annual Salary amount indicates the salary is a three-year average. If the program had insufficient data to report one-year averages (fewer than 5 graduates or fewer than 3 graduates with reported wage information), three-year averages are shown if available.

**N/A:** Listed if insufficient data is available.

**FKA:** Formerly Known As, listed for programs that have changed name in the past 2 academic years.
