*** of those available for employment (number responding minus those not in the labor market)
() = number of graduates responding

Note: The Automotive Maintenance & Light Repair Technician program is embedded in the Automotive Technician Technical Diploma and Automotive Technology Associate Degree. Graduates are reported under the highest award obtained.

Salary and work hours are computed from records of respondents working 35 or more hours per week in a job related to their training. Graduates completing multiple programs in the same academic year are counted under the highest-level award only.
