Data not available for: Web Design (TD)							

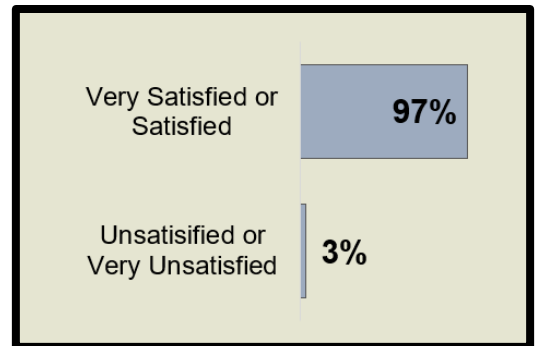

If program had insufficient data to report 1-year averages (less than 5 graduates or less than 3 wages), 3-year averages are shown instead.  
 5-year wage averages may include students who continued their education and obtained higher-level degrees.  
 Wage averages may include graduates employed in the field prior to attending FVTC.

## What do FVTC grads say about their program?

*I really liked how all the teachers tried to get to know you and wanted you to succeed. I love the variety of programs that FVTC offers.*

*The main benefit to going to FVTC first rather than a 4-year college is the hands-on experience gives you a much better feel for the job.*

*FVTC gave me a great education. I feel confident in my skills and feel that they will make finding a job in the future easier.*

**Satisfaction with FVTC Education**
