Data not available for: Electrical & Instrumentation Apprentice, Cosmetology Apprentice, Industrial Manufacturing Technician Apprentice, Lubrication Technician Apprentice, Pipefitting Apprentice, Tool & Die Apprentice							

\*Of those available for employment

\*\*Of those who are employed

With an apprenticeship, you start with a job and build a career. An employer hires you and then you enroll in an apprenticeship program. Over the next two to five years, you'll learn everything you need through in-class and on-the-job training. The best part – you get paid!
