

Policy Title: **GOVERNANCE COMMITMENT**

The Board of Trustees of Fox Valley Technical College will always act in the best interest of the College and the community as a whole. The Board seeks to fulfill its stewardship role on behalf of the greater community.

In its governance the Board is committed to the College's core values (as stated in *ENDS* Policy IV.E). These values will guide development of Board policies and all governance practices of the Board.

The Board will govern Fox Valley Technical College in accordance with its established policies and the constitutions and laws of the United States of America and the State of Wisconsin.
