

# COMMENCEMENT

MAY 19, 2024

*The President, Board of  
Trustees, faculty and staff of  
Fox Valley Technical College  
extend a warm welcome to  
the friends and families of the  
graduating class of 2024.*

*Fox Valley Technical College*

# *Fox Valley Technical College*

---

## *Our Mission Is To:*

Provide relevant technical education and training to support student goals, a skilled workforce, and the economic vitality of our communities.

## *Knowledge That Works*

Fox Valley Technical College has been providing job training and education to our communities since 1912 – that’s more than 100 years. We’ve adapted to changing community needs and new technology, while continuing to give students the current skills employers are looking for.

Last year, 93% of our graduates were employed within six months of graduation. In fact, 74 of our programs had 100% graduate employment.

Every year, we serve nearly 50,000 people. We train the people who serve and protect us every day. Our nurses, accountants, chefs and carpenters. Our mechanics, firefighters, marketers, pilots, entrepreneurs, child care providers and welders. Our truck drivers, police officers, landscapers, electricians, software developers and hundreds of other great careers. Most of these local technicians and professionals received their initial or continuing education from Fox Valley Technical College.

Our students gain a more global view of the world by traveling abroad for study opportunities or by staying right here in Wisconsin. Students come to study at Fox Valley Technical College from over 40 countries around the world.

Whether you are just beginning your higher education journey after high school, changing careers, or looking to enhance your skills, Fox Valley Tech will be with you every step of the way. We are your lifelong learning partner.

# *To the Graduating Class*

---

Congratulations, graduates!

Hard work. Perseverance. Dedication. Resilience. Each of these qualities and more are embodied in Fox Valley Technical College graduates. You should be extremely proud of your accomplishments!

The college community is delighted to come together today to celebrate one of the most important milestones in your life – commencement. This is a special day not only for you as you are recognized for achieving your educational goals, but also for the people who supported you along the way – family, friends, and the faculty and staff of Fox Valley Technical College.

During your time at FVTC, you have acquired the knowledge and skills that you'll need for success in your chosen career. Our graduates are the foundation of the skilled workforce that keeps our communities strong, allows individuals and families to thrive, and supports the vitality of our region. Today, you join tens of thousands of Fox Valley Technical College alumni who positively impact their communities.

As you reflect on all of your accomplishments, I'd also urge you to think about the true meaning of "commencement." After all, today is not the end of a journey. It is the start, a new beginning and an opportunity for you to chart your path forward. As you consider your next steps, we stand ready as a resource to help you continue your education and to enhance your skills so that you can achieve success and personal fulfillment in your career for many years to come.

On behalf of the FVTC community, our very best wishes for a bright future!

Sincerely,

A handwritten signature in cursive script that reads "Christopher J. Matheny". The signature is written in black ink and is positioned above the printed name and title.

Dr. Christopher Matheny  
President  
Fox Valley Technical College

## *Student Speaker*

---

### **Cole Burdick**

Criminal Justice

Associate in Applied Science Degree

Cole Burdick's decision to study Criminal Justice at Fox Valley Technical College is rooted in his passion for wanting to serve others in a positive and impactful way, and a desire to make a tangible difference in his community.

During his time at FVTC, Cole maintained a 4.0 GPA in college while also working as a Field Training Officer for FVTC Security Services. He started his position in the fall of 2022 and currently trains newly hired security officers.

Cole says he chose Fox Valley Technical College because of its reputation for excellence in education, especially in criminal justice. Cole also credits experienced faculty, innovative resources, and the college's commitment to hands-on learning for making his college career a success.

Upon graduation, Cole will return to his hometown of Ripon, where he has been hired by the Ripon Police Department. He will be sworn in as an officer later this month and will enter FVTC's Law Enforcement Training Academy in June.

## *Commencement Speaker*

---

### **Craig Wiedemeier**

President

Werner Electric Supply

Craig Wiedemeier is President of Werner Electric Supply, a Fox Valley employer providing quality electrical products and services to customers since 1943.

Craig joined Werner Electric in 2012 as Vice President of Operations. He was promoted to Chief Operating Officer in 2019, and April 2020, he was named President. This role has permitted Craig to challenge the status quo and grow Werner Electric with a sense of family, a desire for success, and an infectious, positive attitude. These attributes have allowed Craig to develop common, rewarding goals between Werner Electric's employees and business partners.

Craig earned his MBA from Marquette University and a bachelor's degree in Industrial Engineering from the University of Wisconsin-Madison.

Craig currently serves on the Board of supplyFORCE™, an electrical supplies industry-based company, and other local community organizations. During his tenure as Werner's Vice President of Operations, Craig served on the FVTC Supply Chain Management advisory committee.

In his free time, Craig spends time with his family and enjoys many outdoor activities including hunting, fishing, tractor pulling and snowmobiling.

# Commencement Program

---

Processional	<i>Pomp and Circumstance</i> , Brass Menagerie
Introduction of Divisions	Dr. Jennifer A. Lanter Vice President for Learning & Chief Academic Officer  <i>Business Program Candidates</i> <i>General Studies Program Candidates</i> <i>Health Program Candidates</i> <i>Information Technology Program Candidates</i> <i>Manufacturing, Agriculture &amp; Construction Technology Program Candidates</i> <i>Public Safety Program Candidates</i> <i>Service Program Candidates</i> <i>Transportation Program Candidates</i>

# *Ceremonial History & Regalia*

---

The college president confers degrees by the power vested in him or her by the Board of Trustees; however, degrees are only granted upon the recommendation of the college faculty, who are the heart of a college education. The processional is, therefore, a symbolic declaration that members of the academic community are bound by a common purpose and commitment to the ideals of higher education.

The apparel worn in the processional is also symbolic, with its origin in the Middle Ages. Colleges and universities grew out of church schools, so faculty and students were regarded as part of the clergy and wore monastic dress. The style and decoration of the gown identifies the degree earned. Hoods are worn by those with a master's or doctoral degree, with velvet trim on the gowns of those holding a doctoral degree. The traditional hat developed from the skull cap worn in cold weather. In Europe, a bonnet with a tassel is still worn, but in America it has been replaced by the mortarboard cap with tassel.

The trim and tassel colors associated with the different disciplines are as follows:

Agriculture	Maize	Journalism	Crimson
Arts, Letters, Humanities	White	Law	Purple
Business	Drab	Library Science	Lemon
Economics	Copper	Nursing	Apricot
Education	Light Blue	Philosophy	Dark Blue
Engineering	Orange	Public Administration	Peacock
Fine Arts, Architecture	Brown	Social Work	Citron
Forestry	Russet		

Honor graduates in today's ceremony are distinguished by the gold cords draped over their shoulders.

## *Phi Theta Kappa (PTK) Honor Society*

---

Phi Theta Kappa is an international honor society which recognizes and encourages scholarship among two-year college students. To achieve this purpose, Phi Theta Kappa provides opportunities for developing leadership and service skills, exchanging ideas and ideals in an intellectual climate, developing lively friendships between scholars and stimulating interest in continuing academic excellence. To be eligible for induction to Phi Theta Kappa, a student must have completed 12 or more associate degree credits with an overall cumulative grade point average of 3.5 or higher.
