

# COMMENCEMENT

DECEMBER 13, 2024

*The President, Board of  
Trustees, faculty and staff of  
Fox Valley Technical College  
extend a warm welcome to  
the friends and families of the  
graduating class of 2024.*

*Fox Valley Technical College*

# *Fox Valley Technical College*

## *Our Mission Is To:*

Provide relevant technical education and training to support student goals, a skilled workforce, and the economic vitality of our communities.

## *Knowledge That Works*

Fox Valley Technical College has been providing job training and education to our communities since 1912 – that’s more than 100 years. We’ve adapted to changing community needs and new technology, while continuing to give students the current skills employers are looking for.

Last year, 91% of our graduates were employed within six months of graduation. In fact, 65 of our programs had 100% graduate employment.

Every year, we serve nearly 50,000 people. We train the people who serve and protect us every day. Our nurses, accountants, chefs and carpenters. Our mechanics, firefighters, marketers, pilots, entrepreneurs, child care providers and welders. Our truck drivers, police officers, landscapers, electricians, software developers and hundreds of other great careers. Most of these local technicians and professionals received their initial or continuing education from Fox Valley Technical College.

Our students gain a more global view of the world by traveling abroad for study opportunities or by staying right here in Wisconsin. Students come to study at Fox Valley Technical College from over 38 countries around the world.

Whether you are just beginning your higher education journey after high school, changing careers, or looking to enhance your skills, Fox Valley Tech will be with you every step of the way. We are your lifelong learning partner.

# *To the Graduating Class*

---

Congratulations, graduates!

Hard work. Perseverance. Dedication. Resilience. Each of these qualities and more are embodied in Fox Valley Technical College graduates. You should be extremely proud of your accomplishments!

The college community is delighted to come together today to celebrate one of the most important milestones in your life – commencement. This is a special day not only for you as you are recognized for achieving your educational goals, but also for the people who supported you along the way – family, friends, and the faculty and staff of Fox Valley Technical College.

During your time at FVTC, you have acquired the knowledge and skills that you’ll need for success in your chosen career. Our graduates are the foundation of the skilled workforce that keeps our communities strong, allows individuals and families to thrive, and supports the vitality of our region. Today, you join tens of thousands of Fox Valley Technical College alumni who positively impact their communities.

As you reflect on all of your accomplishments, I’d also urge you to think about the true meaning of “commencement.” After all, today is not the end of a journey. It is the start, a new beginning and an opportunity for you to chart your path forward. As you consider your next steps, we stand ready as a resource to help you continue your education and to enhance your skills so that you can achieve success and personal fulfillment in your career for many years to come.

On behalf of the FVTC community, our very best wishes for a bright future!

Sincerely,

A handwritten signature in black ink that reads "Christopher J. Matheny". The signature is written in a cursive, flowing style.

Dr. Christopher Matheny  
President  
Fox Valley Technical College

## Student Speaker

### Madelyne R. Sosa-Jaramillo

Foundations of Teacher Education  
Associate in Applied Science Degree

Madelyne R. Sosa-Jaramillo's passion for education and a desire to positively impact future generations led her to pursue the Foundations of Teacher Education program at Fox Valley Technical College.

As a first-generation student who began her academic journey at age 22, Madelyne chose Fox Valley Technical College for its inclusive and diverse environment. The college's commitment to providing educational opportunities for all, regardless of age or background, resonated with Madelyne and solidified her decision to start her journey at FVTC.

During her time in school, Madelyne has been actively attending school activities such as Hmong Student Union (HSU) dances and many events and performances organized by Student Life. Additionally, Madelyne is one of the co-founders of the FVTC Improv Club and currently serves as its co-president.

With her degree, Madelyne plans to become licensed to work as a substitute teacher after graduation while she pursues a bachelor's degree in education at Lakeland University. Her goal is to one day instruct students in kindergarten through ninth grade.

## Commencement Speaker

### Hayley Tenpas

Host - Focus Fox Valley  
WHBY

Hayley Tenpas is the award-winning host of 'Focus Fox Valley' on WHBY, a news/talk radio station serving the Green Bay and Appleton-Oshkosh communities.

Hayley earned a Bachelor of Arts (BA) in Broadcast Journalism from the University of Wisconsin-Whitewater. She started her career in television news in 2012 and worked as a journalist at News 3 Now-Channel 3000 in Madison, WJFW Newswatch 12 in Rhinelander and NBC26 in Green Bay.

In 2018 Hayley switched to talk radio and is currently the producer and host of 'Focus Fox Valley' which centers on community conversations that emphasize the people, organizations, causes and ideas that help the Fox Valley thrive.

Hayley enjoys emceeing events and has lent her voice to organizations like Big Brothers Big Sisters of East Central Wisconsin, the Bergstrom-Mahler Museum of Glass, The Fox West Chamber of Commerce, The Monthlies Project and Goodwill NEW. She serves on the marketing board for the Building for Kids Children's Museum and the communications committee for the Women's Fund for the Fox Valley Region.

Hayley is married to her high school sweetheart Brian. They are the proud parents of Callen, Baker and Peyton.

## *Ceremonial History & Regalia*

---

The college president confers degrees by the power vested in him or her by the Board of Trustees; however, degrees are only granted upon the recommendation of the college faculty, who are the heart of a college education. The processional is, therefore, a symbolic declaration that members of the academic community are bound by a common purpose and commitment to the ideals of higher education.

The apparel worn in the processional is also symbolic, with its origin in the Middle Ages. Colleges and universities grew out of church schools, so faculty and students were regarded as part of the clergy and wore monastic dress. The style and decoration of the gown identifies the degree earned. Hoods are worn by those with a master's or doctoral degree, with velvet trim on the gowns of those holding a doctoral degree. The traditional hat developed from the skull cap worn in cold weather. In Europe, a bonnet with a tassel is still worn, but in America it has been replaced by the mortarboard cap with tassel.

The trim and tassel colors associated with the different disciplines are as follows:

Agriculture	Maize	Journalism	Crimson
Arts, Letters, Humanities	White	Law	Purple
Business	Drab	Library Science	Lemon
Economics	Copper	Nursing	Apricot
Education	Light Blue	Philosophy	Dark Blue
Engineering	Orange	Public Administration	Peacock
Fine Arts, Architecture	Brown	Social Work	Citron
Forestry	Russet		

Honor graduates in today's ceremony are distinguished by the gold cords draped over their shoulders.

## *Phi Theta Kappa (PTK) Honor Society*

---

Phi Theta Kappa is an international honor society which recognizes and encourages scholarship among two-year college students. To achieve this purpose, Phi Theta Kappa provides opportunities for developing leadership and service skills, exchanging ideas and ideals in an intellectual climate, developing lively friendships between scholars and stimulating interest in continuing academic excellence. To be eligible for induction to Phi Theta Kappa, a student must have completed 12 or more associate degree credits with an overall cumulative grade point average of 3.5 or higher.
