

COMMENCEMENT

DECEMBER 12, 2025

*The President, Board of
Trustees, faculty and staff of
Fox Valley Technical College
extend a warm welcome to
the friends and families of the
graduating class of 2025.*

Fox Valley Technical College

Fox Valley Technical College

Our Mission Is To:

Provide relevant technical education and training to support student goals, a skilled workforce, and the economic vitality of our communities.

Knowledge That Works

Fox Valley Technical College has been providing job training and education to our communities since 1912 – that’s more than 100 years. We’ve adapted to changing community needs and new technology, while continuing to give students the current skills employers are looking for.

Last year, 93% of our graduates were employed within six months of graduation. In fact, 76 of our programs had 100% graduate employment.

Every year, we serve nearly 50,000 people. We train the people who serve and protect us every day. Our nurses, accountants, chefs and carpenters. Our mechanics, firefighters, marketers, pilots, entrepreneurs, child care providers and welders. Our truck drivers, police officers, landscapers, electricians, software developers and hundreds of other great careers. Most of these local technicians and professionals received their initial or continuing education from Fox Valley Technical College.

Our students gain a more global view of the world by traveling abroad for study opportunities or by staying right here in Wisconsin. Students come to study at Fox Valley Technical College from over 40 countries around the world.

Whether you are just beginning your higher education journey after high school, changing careers, or looking to enhance your skills, Fox Valley Tech will be with you every step of the way. We are your lifelong learning partner.

To the Graduating Class

Congratulations, graduates!

Hard work. Perseverance. Dedication. Resilience. Each of these qualities and more are embodied in Fox Valley Technical College graduates. You should be extremely proud of your accomplishments!

The college community is delighted to come together today to celebrate one of the most important milestones in your life – commencement. This is a special day not only for you as you are recognized for achieving your educational goals, but also for the people who supported you along the way – family, friends, and the faculty and staff of Fox Valley Technical College.

During your time at FVTC, you have acquired the knowledge and skills that you'll need for success in your chosen career. Our graduates are the foundation of the skilled workforce that keeps our communities strong, allows individuals and families to thrive, and supports the vitality of our region. Today, you join tens of thousands of Fox Valley Technical College alumni who positively impact their communities.

As you reflect on all of your accomplishments, I'd also urge you to think about the true meaning of "commencement." After all, today is not the end of a journey. It is the start, a new beginning and an opportunity for you to chart your path forward. As you consider your next steps, we stand ready as a resource to help you continue your education and to enhance your skills so that you can achieve success and personal fulfillment in your career for many years to come.

On behalf of the FVTC community, our very best wishes for a bright future!

Sincerely,

A handwritten signature in black ink that reads "Christopher J. Matheny". The script is fluid and cursive.

Dr. Christopher Matheny
President
Fox Valley Technical College

Student Speaker

Chris Dexter

Nursing
Associate in Applied Science Degree

Chris Dexter's commitment to patient care began over two decades ago when he joined the U.S. Navy Reserve as a Corpsman. He served in the reserve for 12 years, including 18 months of active duty, with assignments both stateside and overseas.

After separating from the military, Chris returned to Northeast Wisconsin and spent over 15 years in the security sector. His passion for healthcare remained strong, but the demands of full-time work and family made returning to school difficult. When his wife discovered FVTC's part-time Associate Degree Nursing (ADN) program, Chris knew he had found his educational path. He began general education courses in summer 2021 and entered core nursing classes in summer 2023.

While pursuing his degree, Chris worked at Theda Clark Regional Medical Center in Neenah, first as an Emergency Department Technician and later as a Licensed Practical Nurse (LPN) after passing the required exam. Upon graduation, he will continue serving patients as an ER nurse.

Chris credits FVTC's part-time ADN program for fostering a close-knit, supportive learning environment that helped him and his classmates succeed.

Commencement Speaker

Kate Konen

Culinary Solutions Chef
Jones Dairy Farm

Kate Konen is a 2015 graduate of FVTC. She earned an associate degree in Culinary Arts and an associate degree in Hospitality Management, as well as certificates in Advanced Culinary Arts, Advanced Baking, and Meeting & Event Planning.

Chef Kate is employed with Jones Dairy Farm as a Culinary Solutions Chef. Her passion for food and travel has been fueled over the past eight years with Jones, and in September she had the opportunity to travel to South Korea, the Philippines, and Japan to assist in growing Jones' international business. She has appeared on television stations across the country promoting Jones products, including recent appearances on QVC.

She lives in Manitowoc with her husband and two rescue dogs, Paisley and Bentley, and loves all things sourdough. She enjoys growing food for her family in her backyard garden, raising and releasing Monarch butterflies, and spending time with her three adult children and their families, including her two favorite little humans, grandsons Tucker & Otto.

She is eternally grateful to her parents, husband and children for their unconditional love and support.

Commencement Program

Processional	<i>Pomp and Circumstance</i> , Brass Menagerie
Introduction of Divisions	Dr. Jennifer A. Lanter Vice President – Learning & Chief Academic Officer <i>Agriculture, Manufacturing & Engineering Technologies Program Candidates</i> <i>Aviation, Construction & Transportation Program Candidates</i> <i>Business & Information Technology Program Candidates</i> <i>General Studies Program Candidates</i> <i>Health Program Candidates</i> <i>Public Safety Program Candidates</i> <i>Service Program Candidates</i>
Opening of Ceremony	Bob Ebben President, Faculty Association
National Anthem	MLC Quartet
Welcome Remarks	Dr. Christopher Matheny President, Fox Valley Technical College
Greeting from the Trustees	Mike Slowinski Chairperson, FVTC Board of Trustees
Recognition of Deans, Faculty & Staff	Dr. Jennifer Lanter
Introduction of Student Speaker	Elizabeth Burns Vice President – Student Success
Student Address	Chris Dexter Nursing, Associate in Applied Science Degree
Introduction of Commencement Speaker	Dr. Jennifer Lanter
Commencement Address	Kate Konen Culinary Solutions Chef, Jones Dairy Farm
Recognition of Honor Graduates	Elizabeth Burns
Conferring of Degrees	Dr. Christopher Matheny
Closing	Bob Ebben
Recessional	<i>Trumpet Voluntary</i> , Brass Menagerie

Today's ceremony is being livestreamed with captioning. To view the video recording after the event, visit www.fvtc.edu/Graduation.

As a courtesy to graduates and guests, please remain seated during the ceremony. Professional photos will also be taken and offered to each graduate.

An interpreter will be signing today's ceremony next to the stage.

The list of graduate candidates may be incomplete due to printing deadlines. This program is not an official college document and does not certify actual grade point average or that the candidate has successfully completed degree requirements.

Photos taken by Fox Valley Technical College during the event may be used for promotional purposes.

Agriculture, Manufacturing & Engineering Technologies Program Candidates

Presented by Chris Dragosh, Dean

Agribusiness Dairy Technician - Technical Diploma

*HELEN L. MCBROOM

Agribusiness Management Technician - Technical Diploma

*COLE D. HOKSBERGEN

*ANN M. SCHMITZ

Agribusiness & Science Technology - Agronomy - Associate in Applied Science Degree

*MAKAYLA R. STAMBAUGH

*LACY M. VOLKMAN

Agricultural Equipment Technology - Associate in Applied Science Degree

GRIFFIN HOLEWINSKI

Agriculture Equipment Service Technician - Technical Diploma

HENRY M. BUSS

*KALEB R. GILBERTSON

*RILEY J. SIMONIS

TRISTIN J. DUCA

MATTHEW J. NOUSEN

Agronomy Technician - Technical Diploma

*SAMANTHA M. VAN LANEN

Automated Manufacturing Systems Technology - Associate in Applied Science Degree

*BAILEY P. BOUSHELE-WALTER

*KENNETH B. HURST

*EMILY G. ROHDE

Electrical Engineering Technology - Associate in Applied Science Degree

*ZACH J. GENAL

Electro-Mechanical Technology - Associate in Applied Science Degree

*MYLES O. CHRISTIANSON

Therapeutic Massage - Technical Diploma

HANNAH I. DAVIES

Ceremonial History & Regalia

The college president confers degrees by the power vested in him or her by the Board of Trustees; however, degrees are only granted upon the recommendation of the college faculty, who are the heart of a college education. The processional is, therefore, a symbolic declaration that members of the academic community are bound by a common purpose and commitment to the ideals of higher education.

The apparel worn in the processional is also symbolic, with its origin in the Middle Ages. Colleges and universities grew out of church schools, so faculty and students were regarded as part of the clergy and wore monastic dress. The style and decoration of the gown identifies the degree earned. Hoods are worn by those with a master's or doctoral degree, with velvet trim on the gowns of those holding a doctoral degree. The traditional hat developed from the skull cap worn in cold weather. In Europe, a bonnet with a tassel is still worn, but in America it has been replaced by the mortarboard cap with tassel.

The trim and tassel colors associated with the different disciplines are as follows:

Agriculture	Maize	Journalism	Crimson
Arts, Letters, Humanities	White	Law	Purple
Business	Drab	Library Science	Lemon
Economics	Copper	Nursing	Apricot
Education	Light Blue	Philosophy	Dark Blue
Engineering	Orange	Public Administration	Peacock
Fine Arts, Architecture	Brown	Social Work	Citron
Forestry	Russet		

Honor graduates in today's ceremony are distinguished by the gold cords draped over their shoulders.

Phi Theta Kappa (PTK) Honor Society

Phi Theta Kappa is an international honor society which recognizes and encourages scholarship among two-year college students. To achieve this purpose, Phi Theta Kappa provides opportunities for developing leadership and service skills, exchanging ideas and ideals in an intellectual climate, developing lively friendships between scholars and stimulating interest in continuing academic excellence. To be eligible for induction to Phi Theta Kappa, a student must have completed 12 or more associate degree credits with an overall cumulative grade point average of 3.5 or higher.

College Board of Trustees

MIKE SLOWINSKI, CHAIR

CHUCK SPOEHR, VICE CHAIR

VICKY WEILAND, SECRETARY

MARGARET KASTNER, TREASURER
